## ANNUAL OVERALL NARRATIVE ON CONTRACT AND OPERATIONAL REQUIREMENTS:

Gunsel Horse Adventures took two overnight trips and no day-trips into the park this year.

Ranger Michael Ross evaluated Mr. Lantis' operation during their August 1-3 trip to campsite 3U1. All inspected elements were in good order including food storage, First Aid kit, care of Stock, amount of stock, stock retention, spreading of manure, and clean up. Gunsel Horse Adventures received a numeric rating of five (out of 5) on this evaluation. We consider their operational performance to be satisfactory.

Gunsel Horse Adventures met all requirements and deadlines pertaining to their contract; therefore, their contract compliance is satisfactory.
